

COVID-19 Care at Gardner Health Services

Gardner Health Services (GHS) is available to meet your health care needs. Please be patient as being seen is dependent on the availability of staff and the number of individuals to be seen. **For more information, please call our call center at (408) 457-7100.**

Walk-ins are welcome. Services can be provided in any language including Spanish, Vietnamese, Farsi, etc. (Using language line translation services).

Services are provided to patients independent of their legal status and all information is safeguarded.

If you do not have health insurance please call 669-444-5468 to be connected with an enrollment counselor.

Any person arriving at a GHS health center will be screened for COVID-19 symptoms before entering the building

Anyone screened Positive for COVID-19 symptoms:

Will be assessed by a GHS nurse and cared for based on the severity of their symptoms

Mild symptoms: The person may be advised for home treatment

Moderate to Severe symptoms: The person may be referred to the Public Health Department or emergency room for further evaluation and possible testing.

Anyone screened Negative for COVID-19 symptoms:

Will be allowed to enter the health center

The person will then be able to obtain any of the services available at the health center and will be seen as quickly as possible.
